Class begins: 8:20 a.m.

Dismissal: 1:50 p.m.

### Grades 2, 3, 4, 5

Class begins: 8:35 a.m.

Dismissal: 3:05 p.m.

Wednesday Dismissal - 1:50 p.m. (all grades)

## Attendance and Punctuality

A student must attend school regularly if he/she is to succeed academically. For excused absences, a note from the doctor, parent or guardian explaining the reason for the absence must be submitted. Communicable diseases must be reported to the school immediately.

School board policy states that an elementary student who accumulates ten (10) or more unexcused absences for the year may be subject to the withholding of final grades, which may affect the student's promotion to the next higher grade.

## Arrival/Drop-Off

### **Arrival Procedures**

*Children, parents and visitors are always required to maintain the maximum amount of social distancing possible during arrival. No one should congregate in large groups. Students will enter building practicing social distancing. Support Staff will be utilized to direct smaller children to their homeroom classes.*

*Students will be directed to the Cafeteria to receive their breakfast:*

*7:45-8:15 – Grades Pre-K -1<sup>st</sup>*

*7:45 – 8:30 – Grades 2-5*

*After students receive their breakfast (after 8:00 am), they will be escorted to their homeroom classrooms and remain in their assigned desk until class begins.*

### **Late Arrival**

Students who are tardy to school must report to the Attendance Office to secure a late pass. Excessive tardiness may result in loss of privileges, detention, and/or parent conference.

- A child who is not in his/her classroom by the respective times is tardy. We ask for your cooperation in assisting your child in getting to school on time. Tardies become a part of a child's permanent record. All students arriving late to school must report to the main office for a tardy pass.

### **Early Sign Out**

The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final thirty (30) minutes of the school day unless authorized by the Principal or Principal's designee (i.e., emergency, sickness).

- It is important that the person responsible for picking up the child is at school at the time of dismissal. The school cannot assume responsibility for children after the dismissal. *Students in grades Pre-K – 1st will not be released between 1:20 – 1:50 p.m.; students in grades 2-5 will not be released between 2:35 – 3:05 p.m.*
- Any person picking up a child must present a picture identification and must be listed on the student's emergency contact card. Your attention to this request is greatly appreciated.

### **Excused School and Class Absences and Tardies**

- Student illness: Students missing 5 or more consecutive days of school due to illness or injury are required to provide a written statement from a health care provider. The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, he or she must be under the supervision of a health care provider to receive excused absences from school.
- Medical appointment: If a student is absent from school due to a medical appointment, a written statement from a health care provider indicating the date and time of the appointment, must be submitted to the Principal.
- Death in the immediate family
- Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service is observed.

- School-sponsored event or educational enrichment activity that is not a school-sponsored event, as determined and approved by the Principal. The student must receive advance written permission from the Principal or the principal's designee. Examples of special events include: public functions, conferences, and regional, state and national competitions.
- Court appearance of the student, subpoena by law enforcement agency, or mandatory court appearance.
- Other individual student absences beyond the control of the parent/guardian or student, as determined and approved by the Principal. The Principal shall require documentation related to the condition.
- A student who is tardy to class not only impedes his/her own learning, but also interrupts the learning environment for the other students. Regardless of the nature of the tardies and/or absences, students must request make-up assignment from his/her teacher(s) upon return to school.

The student is expected to:

- Take advantage of his/her educational opportunity by attending all classes daily and punctually.
- Provide the school with a written explanation for excused absences.
- Request the make-up assignment for all excused absences from his/her teachers upon his/her return to school or class. It should be noted that all classwork, due to the nature of instruction, is not readily subject to make-up work.
- Complete the make-up assignments for classes missed within a reasonable time. Failure to make-up all assignments will result in a lower assessment of the students' academic and/or effort grade.

The parent is expected to:

- Report and submit a note to explain unexcused absences to the school.
- Be responsible for his/her child's school attendance as required by law.
- Be aware that tardiness will impede his/her child's own learning and interrupt the learning process of the other students.
- Stress the importance of regular and punctual school attendance to his/her child.
- Personally, escort his/her tardy child to the office to obtain a tardy pass.

### **Closing of School**

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

### **Code of Student Conduct**

The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property, or when the student's off-campus conduct has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: [codeofconduct.dadeschools.net](http://codeofconduct.dadeschools.net) If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

### **Community Schools**

Community Schools offer an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School program is as wide and varied as the needs of the community it serves. Community Schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 17 Community Schools offer classes for individuals of all ages, skill levels and language capabilities. Annually, thousands of people have taken advantage of these recreational and educational opportunities. If an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Community Schools, Before/After School Care programs or Middle School Enrichment programs, please visit [www.dadecommunityschools.net](http://www.dadecommunityschools.net) or call the Office of Community Education, at 305-226-6565 ext. 2155.

### **Comprehensive Student Services Program**

Through collaborative efforts with community agencies, students' academic, personal/social and career development needs are addressed through a team-based approach. An integrated team of uniquely trained Student Services professionals deliver direct services to students. These services focus on the elimination of social and emotional barriers that inhibit students' academic success and prepare students to be college and career ready.

The Comprehensive Student Services Program supports student achievement through effective prevention, intervention, and crisis response services. For more information, please contact the Division of Student Services, at 305-816-0436.

## **Discrimination/Harassment**

The School Board has a prohibition against discrimination and harassment based on age, citizenship status, color, disability, ethnic or national origin, Family Medical Leave Act (FMLA), gender, gender identity, genetic information, linguistic preference, marital status, political beliefs, pregnancy, race, religion, retaliation, sex, sexual harassment, sexual orientation, social/family background, and any other basis prohibited by law. Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe or pervasive, or persistent. For more information, please contact CRC at (305) 995-1580 or visit <http://hrdadeschools.net/civilrights>.

The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical hurt or psychological distress on one or more students. Complaints of bullying should be reported to the principal promptly. You may also contact the Bullying/Harassment Helpline, staffed by the Division of Student Services at the District office. They can be reached at 305-995-CARE (2273). The Helpline is staffed from 7:30 a.m. – 4:00 p.m., Monday through Friday.

- ***Emergency Operations Plan***

Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The District Emergency Operations Plan (EOP) was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, and bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary, the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

# APPENDIX F – Standard Response Protocol

## STANDARD RESPONSE PROTOCOL

### INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

### COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

## HOLD

### "In Your Classroom or Area"

**Students** are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

**Adults and staff** are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

## SECURE

### "Get Inside. Lock outside doors"

**Students** are trained to:

- Return to inside of building
- Do business as usual

**Adults and staff** are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

## LOCKDOWN

### "Locks, Lights, Out of Sight"

**Students** are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

**Adults and staff** are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

## EVACUATE

### "To a Location"

**Students** are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

**Adults and staff** are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults

## SHELTER

### "State Hazard and Safety Strategy"

**Hazards** might include:

- Tornado
- Hazmat

**Safety Strategies** might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

**Students** are trained in:

- Appropriate Hazards and Safety Strategies

**Adults and staff** are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults

# STANDARD RESPONSE PROTOCOL

## PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

## SECURE

“Get Inside. Lock outside doors”

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

### SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

### WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

### WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

## LOCKDOWN

“Locks, Lights, Out of Sight”

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

### SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

### SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

### WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the “Muscle Memory” associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.
